Funding provided by Hudson Community Foundation, Hudson League for Service and SAYPIP (Seniors & Youth: Partners in Philanthropy)

Start

Begin your adventure at **Fair Trade on Main** (134 N. Main), browsing their delightful marketplace. You will be in the middle of the block that burnt to the ground in 1892 after a fire started in Lockhart's Saloon. (You can enter from Main Street or the parking lot). You will find **Uncommon Art** right next door, home of two local artists' studios. Upon exiting turn left (north) on Main Street and then left again on Clinton Street, heading down into First & Main.

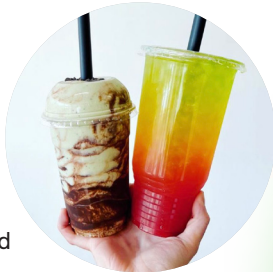

Turn left again on First Street – note the brick road created with old bricks from Fairport Harbor, and the antique-looking streetlights.

As you wander down Village Way towards our award-winning **Library**, take note of the tables and benches, and the lovely patios of the restaurants surrounding the Green. Remind yourself to stop by for a **DORA*** drink later in the day.

Steps so far: 550

Keep Going

A left onto Library Street – be sure to stop in **Mad Tea** for a refreshing drink and enjoy the Alice in Wonderland theme.

Continue south on Library Street and right onto 303 to the light at Milford/Atterbury. Cross left at the light and head south on Milford Road.

Steps so far: 990

Check out **Malted Meeple** (53 Milford Rd.) for a fun stop later in the day. They open at 4 pm, noon on Saturdays and have added escape rooms to their mix, plus oversized chess and checkers outside!

Stay left at the fork and head up the hill of Veterans Way Parkway. As you descend the other side, watch the Clocktower statue turn as you pass it! Cool off in the Splash Pad if it's a hot summer day or enjoy the storybook paths.

Steps so far: 2,572 (When you hit Rt. 91)

Almost There

Cross 91 and turn north (left), under the railroad tracks and right into the Evaporator Works. Wander through the five buildings and pop out on Ravenna Street. Steps so far 3150

Check out **Ohio Organics & Nature** (moving here in July 2022) and **SploTT Graphics** before choosing one of the paths north through the Green and cross 303 towards the Gazebo. Take a family photo and cross 91 at the crosswalk and you are back to the beginning.

Total steps: 3,600

Thanks for participating! Please send comments & suggestions to destinationhudsonohio@gmail.com

*DORA = Designated Outdoor Refreshment Area. Purchase your favorite libation at most Main St/F&M restaurants and enjoy it while you stroll the shops or enjoy the weather.
